An enchanting *expérience*

“Harmony is what really matters and it is the combination of all the right elements - food, service, design and atmosphere - that creates a truly special dining environment. Table Lumière has its very own harmony.”

ALAIN DUCASSE

Cocooned by a luminescent graduated oval curtain, inspired by traditional couture techniques, in homage to the world leading fashion houses of Mayfair, the table is surrounded by 4,500 shimmering fiber-optics which drop dramatically from the ceiling, cleverly allowing guests to enjoy the ambiance and buzz of the restaurant whilst being nearly screened from view.

Table Lumière enables you and your guests to create your bespoke dining experience and tailor your table setting by choosing your desired Hermès Collection from 'Rhythm Rouge', 'Mesclun', 'Century' and 'Fil d'Argent'. The collections also include the finest creations in tableware: Puiforcat silverware, table ornaments and Saint-Louis glassware. The epitome of French craftsmanship.
